## Testimonial Questions for Patients/Clients

	Tell us your name and a little about yourself.
	What issue brought you to our office?
	What hesitations did you have?
	Please describe your experience at our office?
	What impressed you the most?
	What benefit did you get from treating at our office?
	How does it compare with other similar offices that you've been to in the past?
	What were you most impressed by during your treatment?
	What was the benefit you got from your treatment?
	Would you recommend our office to your friends and family and why?
	Do you have any other comments about your care or our office?
